Reserve Bank of India.

### **Q3. Who are various stakeholders in MAB ?**

**Issuer:** The Bank that issues cards.

**Cardholder:** Customer / Non customer using card for making payment.

**Merchant:** Entity which accepts payments through cards.

**Acquirer:** The Bank that provides necessary infrastructure to the merchant to accept payment, maintains relationship and facilitate acceptance payments thru cards.

**Intermediary Agency:** Visa or MasterCard who facilitate interbank settlements.

### **Q4. What are the important terms used in MAB?**

**Merchant Discount Rate (MDR):** The commission charged by the acquirer (RMGB/SBI) to the Merchant (Trader/Service Provider). It is also termed as Merchant Service Fee (MSF).

**Interchange:** The incentive paid by the Acquirer Bank to the Card Issuer Bank for promoting payment through cards.

**Scheme Fee:** The service fee paid to intermediary agencies i.e. MasterCard or Visa for facilitating interbank payments.

**On -Us Transaction:** Where issuer and acquirer is same (e.g. SBI Debit Card on SBI POS terminal)

**Off-Us Transaction:** Where issuer and acquirer are different (e.g. Other bank's debit/credit card on our POS terminals.)

### ***Q 5 – How MAB is beneficial to Cardholder and Merchant ?***

#### **Cardholder**

- “ Need not carry cash, which is risky.
- “ Maintains higher balances in the account resulting in higher interest on deposits.
- “ Saves time and money in visiting bank branch / ATM to withdraw money and spend the same at merchant outlet, who has to again deposit the same in Bank.
- “ The time saved results in lower cost and higher productivity as time saved can be gainfully utilised.

#### **B. Merchant**

- “ Cash handling is avoided.
- “ The customers have tendency to higher purchases/impulsive buying while using the card than cash, thus more sales and higher profits.
- “ The customer stickiness to merchant increases due to the facility.
- “ The facility can also have provision for customer loyalty points which are widely used to attract the customer to the outlet repeatedly.
- “ Additional revenue stream from value added services such as Cash @ POS, Mobile Top up, Remittances etc.(yet to be introduced)
